

MOTION BY SUPERVISOR DON KNABE

November 12, 2014

On Saturday, September 13, 2014, shortly after midnight, Long Beach police officers responded to a hit and run traffic collision in the area of Spring Street and Karen Avenue. When officers arrived, they discovered the body of 20-year-old Daniel Gomez lying in the road motionless. It is believed that Gomez was the victim of a hit and run traffic collision. Paramedics took Gomez to a local hospital where he later died. Investigators believe Gomez was struck by a 2011-2014, Metallic Silver, Honda Fit identified by debris left at the scene.

Investigators have canvassed the neighborhood looking for witnesses to the incident and feel they are at a point where it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime. The witnesses can remain anonymous.

**I, THEREFORE, MOVE** that the Board of Supervisors offer a \$10,000 reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
